

Classic Sound, Wireless Freedom

A wide-angle photograph of a massive outdoor concert venue. In the foreground, a dense crowd of people fills the field. In the middle ground, a stage is visible with several large, multi-tiered stacks of JBL speakers on either side. A white canopy tent is positioned in the center of the crowd. The background shows a large, open field under a clear sky.

JBL has brought authentic sound to the world for decades

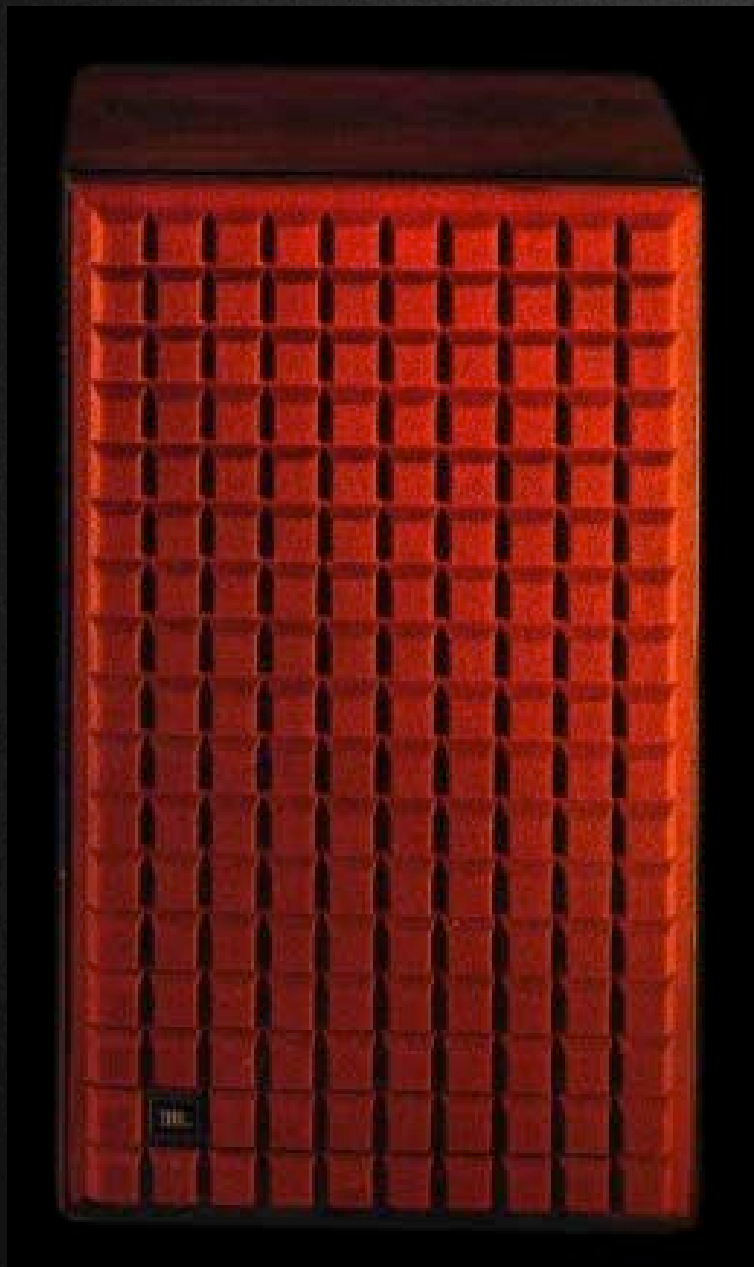

at legendary concerts like  
Woodstock

JBL sound has tied people to their chairs

at millions of homes

1970s monitor speakers like legendary model “L100” built JBLs  
reputation for authentic sound and look

70s / 80s

the way people listen to music has changed

today

but JBL still delivers uncompromised  
sound

using all our knowledge of speaker  
technology

now streaming wirelessly from all  
your portable devices

in a quality you have never heard on a wireless speaker

with Clari-Fi, repairing compressed music in real time

using our 60 years of experience in speaker  
technology

taking design clues from legendary  
JBL L100

and merge it with latest wireless  
technology

## JBL Authentics L8

Grown up Audio & Style

high gloss black wooden  
enclosure

2 Way Speakers

120 Watts

A person in a grey sweater is looking at a smartphone. In the foreground, a JBL Authentic L16 speaker is shown. The speaker has a light-colored wood grain top and a dark, textured grille on the front. It is sitting on a wooden surface. The background is slightly blurred, showing a kitchen area.
