# Control Series

CM40, CM42, CM52, CM62, CONTROL1X,  
CONTROL1G Universe, CONTROL MEDIA

Designed for balanced all-round system performance in locations where space is at a premium, the ultra-compact JBL Control Series represents outstanding value for money and exceptional flexibility of use and placement. Titanium dome tweeters and bass/midrange drivers with specially developed Poly-Laminate cones deliver full-range, full-bodied performance from an attractive compact package. The custom designed drivers are framed in attractive blue trim rings.

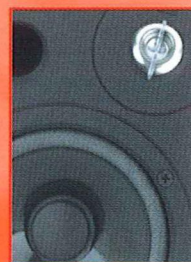

## Rugged, Durable Enclosures

The distinctive molded Control compact monitor cabinets with stylishly rounded edges are available in

black or white with matching removeable grilles. The JBL badge rotates to match the orientation of the speaker. Selected models are also available in special all-weather versions for outdoor use.

## Wall-Mounting Accessories

Each Control Series monitor is pre-mounted with integral fittings which mate with separate optional brackets for firm, reliable wall-mounting. The brackets are available in black or white to match the Control Series monitors.
