

Make your home your favorite venue with JBL...

XTi series

Consider the fact that JBL is the choice for the most prestigious events, that six out of ten movie theaters worldwide are equipped with JBL. Our sound systems are overwhelmingly chosen for their uncanny accuracy by the world's most prestigious recording studios. Around the globe, professionals who perform, record,

engineer, mix, edit and master sound for a living, rely on JBL speakers. Additionally the professionals that are using JBL every day would settle for nothing less than JBL when it comes to providing high-performance sound in their homes - naturally, they choose JBL for their own installations.

NOW CONSIDER XTi, THE NEW LINE FROM JBL, FOR YOUR HOME.
