

# STEREO TAPE DECK Model T-500 F

### NOTE

- |     |  |      |                          |
|-----|--|------|--------------------------|
| S1  | FWD-REV SW (FWD POSITION)                    | VR1  | FWD PB EQ ADJ            |
| S2  | REC - PB SW (PB POSITION)                    | VR2  | REV PB EQ ADJ            |
| S3  | EQUALIZER SW (10% POS)                       | VR3  | FWD PB LEVEL ADJ         |
| S4  | SELECTOR SW (ST POSITION)                    | VR4  | FWD PB LEVEL ADJ         |
| S5  | RECORD SW                                    | VR5  | FWD REC LEVEL ADJ        |
| S6  | PRE SET CANCEL SW                            | VR6  | REV REC LEVEL ADJ        |
| S7  | POWER SW                                     | VR7  | VU METER ADJ             |
| S8  | PRE SET SW                                   | VR8  | REV REC BIAS ADJ (LEFT)  |
| S9  | MUTING SW                                    | VR9  | FWD REC BIAS ADJ (LEFT)  |
| S10 | PB - REC SW (PB POSITION)                    | VR10 | REV REC BIAS ADJ (RIGHT) |
| S11 | PLUNGER SW                                   | VR11 | FWD REC BIAS ADJ (RIGHT) |
| S12 | MOTOR SW                                     | VR12 | EH DUMMY ADJ             |
| S13 | SHUT OFF SW                                  | VR13 | BALANCE ADJ              |
| S14 | FREQUENCY EXCHANGE SW (50 Hz POSITION)       |      |                          |
| RL1 | FWD-REV RELAY SW POWER SUPPLY (FWD POSITION) |      |                          |
| RL2 | FWD-REV RELAY SW OSCILLATOR (FWD POSITION)   |      |                          |
- 
- |            |                                 |   |        |
|------------|---------------------------------|---|--------|
| RESISTORS  | NON MARK - OHM                  | K | KILOHM |
| R1 - R30   | 1/4 WATT P TYPE CARBON RESISTOR |   |        |
| R41 - R44  | 1/2 WATT P TYPE CARBON RESISTOR |   |        |
| R45 - R46  | 1 WATT L TYPE CARBON RESISTOR   |   |        |
| R40, R48   | 3 WATT WIRE WOUND RESISTOR      |   |        |
| R49        | 1/2 WATT WIRE WOUND RESISTOR    |   |        |
| R50        | 1/8 WATT L TYPE CARBON RESISTOR |   |        |
| NL         | LOW NOISE RESISTORS             |   |        |
| CAPACITORS | MICROFARAD UNLESS NOTED         |   |        |
| P          | µF                              |   |        |
| E          | ELECTROLYTIC CAPACITORS         |   |        |
